

City Line 100

TO START A CHARGE

- 1 When you arrive at your destination, Select desired charger.
- 2 Select connector by clicking 'CHECK IN'. To view tariff select 'MORE INFO'.
- 3 Confirm charge & payment.
- 4 Insert cable into chosen connector on charger.
- 5 Plug In to vehicle & press 'START IN APP'.
- 6 Orange light will display charge in progress, this will turn to Green when the charge is complete. Red Light indicated problem.
- 7 You may see 'WAITING FOR CHARGER TO START'.
- 8 Charger status will appear.

TO STOP CHARGING

- 9 Open charger to view 'LIVE CHARGER STATUS'.
- 10 Select 'STOP CHARGING' in app.
- 11 The Orange light will turn off and both Green lights will remain on ready for next charge.
- 12 Disconnect cable from charger & vehicle.
