

Eve Single Pro Line User Guide

TO START A CHARGE

- 1 Select desired charger location.
- 2 Select Connector by clicking '**CHECK IN**'.
- 3 Confirm charge & payment.
- 4 Insert your cable into the chosen connector on the charger.
- 5 Connect cable to vehicle. Then press '**START**' on the EB Go! App.
- 6 On charger unit press '**CONTINUE**' - a green & blue light will indicate charging in progress.

TO STOP CHARGING

- 7 Open '**APP**' to view '**LIVE CHARGER STATUS**'.
- 8 Select '**STOP CHARGING**' in app.
- 9 Screen on charger will display '**END OF SESSION**' and the light will turn blue to green.
- 10 Disconnect cable from charger & vehicle.
